STAT

Thank you for sending me your resume and expressing your continued desire to be of service to this Agency.

I have referred your resume to our Director of Personnel for review in light of our current and anticipated openings. As soon as this review has been completed, we will get in touch with you further. I should inform you, though, that our employment situation has not changed appreciably since we last wrote to you in 1970. Reductions in our personnel strength during the past few years have greatly limited our vacancies.

Your interest in this Agency is appreciated and you may be sure that your application will receive every possible consideration.

Faithfully,

/s/ Vernon A. Walters
